Before the

Senate Local Government Committee

January 7, 2009

Mr. Chairman, members of the committee, for the record my name is Jeff Brandt. I am a Systems Analyst with the Information Technology Services Division (ITSD), within the Department of Administration.

The Information Technology Services Division (ITSD) would do the GIS work to create the computer based maps required of the Department of Administration in section 10 of the bill.

Accompanying me today is Ms. Erin Geraghty, a GIS Specialist in ITSD who would be responsible for converting the information into digital GIS maps. We are available to answer any questions you may have.

Thank you.
